

Investigations & Surveillance

Re: Criminal, Civil, Corporate, and Personal Matters

With Prudential Associates as your Investigations and Surveillance resource, your company effectively acquires an intelligence division. Our professionals can meet your needs for surveillance operations, pre-employment background checks, deleted computer data recovery, security and risk assessments, loss prevention strategies, and more. Prudential Associates has a proven track record for professional service in due diligence investigations, workers compensation, adultery, civil, and criminal cases.

Surveillance regarding Adultery, Insurance, Criminal, Civil, and Personal Matters

- Investigation for fraud, waste, abuse, and the mismanagement of accounting, financial operations, and production processes
- Generation of specialized intelligence that allows clients to make reasoned decisions when considering mergers, acquisitions, and other investment opportunities
- Personal/executive protection and undercover operations
- Security guard services
- Accident and crime reconstruction and analysis
- Installation of residential and commercial security systems, as well as for land, air, and maritime vehicles
- Computer security and activity monitoring

Our Professionals

Prudential Associates' top-tier professionals are recruited from the most respected law enforcement and intelligence organizations. Many of these professionals include former FBI special agents, former CIA officials, former U.S. State Department officials, and other experts in all aspects of international crime and terrorism. Prudential Associates also retains specialists in forensics, psycho-linguistics, behavioral science, latent fingerprinting, and polygraph examinations.

Prudential Associates: Credible & Effective

- Serving clients for nearly 30 years
- Staff comprised of former (and some current) law enforcement and intelligence officers
- Company leadership is recognized by local and national media as industry experts
- Over 100,000 cases handled since Prudential Associates incorporated in 1977
- Prudential Associates is part of a network of vetted, tested, and proven investigators that reaches around the world
- On the GSA schedule
- Our security and executive protection division has been deployed in Iraq, Jakarta, New Zealand, Greece, and across the U.S.
